

Happy CHRISTMAS

St. Joseph's Development Trust

Christmas Greeting from the Executive Director

Happy NEW YEAR 2025

Dear Donors and Sponsors,

I am sharing this Christmas card with you with my heart full of joy as our year of 2024 was a year of joy and blessings. Last year, almost all our children passed their annual exams and moved to the next class. Many of our children completed their studies and got settled with a good job and career.

It is a joyful blessing because we worked with our children, who make us laugh and cry and thus enlarge our hearts and enlighten our minds through their pure love, unblemished innocence and unhidden frankness as well.

Dear donors and sponsors, we are entering our new year, 2025, with lots of joy, hope and challenge. We renew our commitment of touching little children's hearts and enlightening their minds and empowering their future.

Once again, we thank you for your participation in this great work of ours.

Once again, I wish you a very Happy Christmas and a Prosperous New Year 2025.

DR. I. SEBASTIAN,
EXECUTIVE DIRECTOR, SJDT

Merry Christmas

Happy New Year!
