

St. Joseph's Development Trust

Tamil Nadu Educational System

Often sponsors and donors ask questions about our educational system. We are happy to share the following:

The structure of Tamil Nadu education is based on the national level pattern with 12 years of schooling. We have four patterns that make up twelve years of schooling. Our school children follow the following system.

Sl.No	Educational Status	Age	Classes	Subjects
1.	Elementary School	5 - 10 Years	1 st standard to 5 th standard	Tamil, English, Maths, Science, Social Science and Environmental Studies.

Sl.No	Educational Status	Age	Classes	Subjects
2.	Middle School	11 - 13 Years	6 th standard to 8 th standard	Tamil, English, Maths, Science, and Social Science

Wish you a Merry Christmas
and a Happy New Year 2024

Dr. I. Sebastian, Founder & Executive Director.

S No	Educational Status	Age	Classes	Subjects
3.	High School	14 - 15	9 th Standard to 10 th Standard	Tamil, English, Maths, Science and Social Science

S No	Educational Status	Age	Classes	Subjects
4.	Higher Secondary School	16 - 17	11 th Standard to 12 th Standard	Tamil, English and Other Subjects may vary according to the group chosen

There are several courses that a person is eligible to pursue after Class 12. Common Category of courses falls under these divisions such as Arts, Commerce, Science, Management, and Engineering courses.

S No	Bachelor Degree	Diploma Course	Engineering Degree	Nursing Degree	Master Degree
5.	3 Years	1 to 4 Years	5 Years	4 Years	2 Years

We thank all the sponsors for their contribution as our children are in various levels of schooling and College/University education.
